

## HELENSBURGH DIRECTIONS

ESTIMATED DRIVE TIME: 57 minutes by car from Sydney CBD

ADDRESS: 190 Lawrence Hargrave Dr, Stanwell Tops, NSW 2508

### The most efficient route: via M8 tunnel

Step 1: Exit the CBD via the Cross City Tunnel and merge onto the M8 (WestConnex) southbound.

Step 2: Follow signs for the M1 / Wollongong. This bypasses the heavy traffic lights of the southern suburbs.

Step 3: Stay on the M1 (Princes Motorway) for approximately 35 minutes.

Step 4: Take the exit for Lawrence Hargrave Dr / Helensburgh / Stanwell Pk.

Step 5: At the roundabout, take the 2nd exit (straight).

Step 6: Drive for roughly 1km. The entrance is a sharp RIGHT turn into the Delta Force property.

### Closest train station

The closest train station is Stanwell Park which has trains coming from Sydney CBD the closest to the centre being Town Hall Station. This train runs a modified service on weekends so we recommend checking your route in advance with transport NSW. From Stanwell Park it is a 30 min walk to the Paintball centre so we would recommend a short taxi ride instead.
